

Return to Vendor Policy

BAYPOINT (apparel/graphics)

Basic Policy Information

You may RTV true defects in printing (words) and sewing/tailoring of garment, but ALL defects dealing with processing and treatment (dye, coloring, distressed, etc), must be brought to the attention of the buyer first. If there are misprints of words, or the garment is sewn improperly you may RTV to the RTV Department, but all dye and distress issues should go through buyer first.

Exceptions

Vendor Requirements (Proof of Purchase, Etc.)
