

Return to Vendor Policy

PARRIS MANUFACTURING

Basic Policy Information

You may RTV any product that is damaged or defective, even if it is returned by a customer.

Exceptions

If it is a product that we no longer carry and the customer returns it, we may not get credit for this, as their Policy is 90 days, but we have experienced that they don't ask for proof of purchase on items, so we will be fine with most all merchandise that we order through them regularly.
