

Return to Vendor Policy

ROYAL ROBBINS

Basic Policy Information

You may RTV a Royal Robbins Garment if it is defective or showing early signs of wear for the life of the product, but they will not cover misuse or washings that do not follow the instructions (*best to avoid returns for "shrinkage" as it is usually inappropriate washing not following tag instructions*). There is no clear date of when a return can be done, they will work with us as a business in satisfying us and the customer.
